We have had to use a temporary course due to traffic lights on the descent to Glutton Bridge. Any feedback on which course is preferred would be appreciated.

COURSE DETAILS J8/3 (temporary) – 3 laps – 33 miles

START in Longnor on the B5053 outside Longnor Primary School. Proceed North and just as leaving Longnor village (just before the derestricted sign – please, no speeding) (300 yards) turn left (M) along unclassified road where continue straight on until Traveller's Rest pub on A53 (4.1 miles) (M). Turn left on A53 towards Leek. Immediately after the Royal Cottage but before the Winking Man turn sharp left (6.8 miles) (M) keeping straight on to return to Longnor (11 miles) going left in Longnor (M) and after approximately 30 yards left again (M) onto B5053 past the start to follow the circuit for a second and third lap.

Please avoid riders who are just setting off as you come through the start. The finish is in Longnor just before the first left turn in the village centre just after 30 mph limit sign, at the end of the third lap.

Please remember this is a mountain time trial so bring low gears, good tyres and brakes and take care on descents.

The Event Headquarters are at Longnor Primary School where numbers can be collected and exchanged for a drink after finishing. The result board will also be situated at the school.

Buxton Mineral Water have kindly donated two bottles of Buxton Mineral Water to each finisher. Again, this can be collected at the school.

Please note that this year there is NO parking at the school. There is plenty of car parking available in Longnor and in particular the market place, but please avoid blocking narrow roads. Again, NO parking at the school otherwise we will lose the facility next year.

Buxton Cycling Club would like to thank the sponsors for their kind and generous support:

PKF (Accountants and Business Advisers)
COOPER SONS HARTLEY & WILLIAMS (Solicitors)
FRANK R MARSHALL & CO. (Estate Agents and Surveyors)
BUXTON MINERAL WATER

The sponsors have asked if they can take a photograph of the winners and it would therefore be greatly appreciated if those in with a chance of winning would ensure that they are available at the finish of the Event. Your co-operation would go a long way to ensuring further support. Many thanks!
