**Congratulations to Dan Evans, fastest man in a time of 12:20.2 & Dame Sarah Storey, fastest woman in a time of 14:24.8 setting a new women's course record.**

**Congratulations to all the other prize winners on what was a lovely and sunny although quite chilly day with a good cross tailwind.**

**Thanks to all the entrants, we hope you enjoyed your morning on Long Hill. A lot of blood, sweat & tears goes in to running our event (especially if you have a young boisterous family as we have!!! lol) We were rewarded today with a strong quality field in both the mens & the womens event and to hear such good comments post event makes it all worth while. Without you, the entrants, there would be no event, which is something that we look forward to every year.**

**We will be pleased to see you again next year, especially if you bring along some of your clubmates and help the event to grow in popularity as it has done in recent years**

**Thanks to Tony Millington and Judith Soden for timekeeping.**

**Thanks to J.J McDonald for his pusher off duties & Sandy Strachan for Sign putting up duties.**

**Thanks to my wife for the lovely cake selection, always welcome after a morning on the bike.**

**And finally, a note of thanks to the members and friends of Buxton Cycling Club who helped share the workload. It is only with their enthusiasm and dedication that we are able to promote events. Long may it continue.**
