please read and follow the note overleaf concerning congestion in Windmill Lane (Headquarters) and Flittogate Lane.

CONGESTION IN FLITTOGATE LANE AND LANE ADJACENT TO TABLEY VILLAGE HALL (HQ)

Flittogate Lane and Windmill Lane are NOT private cul-de-sacs set aside for the exclusive use of cyclists; they are through routes used by many residents in the locality at all hours of the day. Complaints have been made to the Police of the obstruction caused by Competitors and their friends and helpers standing and walking in the road and making little or no attempt to give way when a vehicle wants to come through. It should NOT be assumed that every vehicle used in the lanes are connected with the event and normal good manners demand that we should extend the same courtesy to others wishing to use the lane as we expect ourselves. Parking will only be permitted on the west verge of the Lanes and Marshalls will be appointed to ensure that the road is not obstructed. ALL field and farm accesses must be kept clear at all times. Disciplinary action may have to be taken against those whose thoughtlessness and ill manners endanger the future use of these lanes in connection with our events.

PLEASE DO NOT OBSTRUCT FLITTOGATE LANE AND THE LANE ADJACENT TO THE
EVENT HEADQUARTERS IN ANY WAY, EITHER WITH YOUR MOTOR CARS, CYCLES
OR YOURSELVES
